### Championship Scrutineering

Championship organisers have arranged for a dedicated scrutineering session on: **Thursday 14<sup>th</sup> March from 15:00.**

This will offer the opportunity for your cars to be checked by the Technical team in a quieter environment, ahead of the main scrutineering session opening. If you cannot make this time slot, please contact the Championship Manager Raymond Moore as soon as possible.

In all cases, checks will be carried out for compliance and eligibility as well as safety and we have a representative from Stellantis Motorsport on hand to ensure cars are compliant with their Homologation. **Please ensure all engine, turbo and flange/air restrictor seals are present and intact, these seal numbers will be recorded and checked throughout the event and the season.**

Cyrille Michel is the Stellantis Motorsport representative, and he can be contacted on +33671253375

### Promotional Event

Organisers of the West Cork Rally have invited Stellantis Motorsport Rally Cup competitors to a promotional event on **Thursday 14<sup>th</sup> March from 19:00.**

This will involve the cars being displayed outside the Clonakilty Park Hotel for a photo call. We would encourage your participation in this opportunity. Please inform the Championship Manager Raymond Moore if you CANNOT attend. You are reminded of Championship Regulation 11.
